

Coronavirus Disease 2019 (COVID-19)

[Spending Time With Friends and Family Who Need to Take Extra Precautions](#)

[No sound. Silent video]

COVID-19: Spending time with friends and family who need to take extra precautions. When you visit friends & family who are at higher risk for severe illness from COVID-19, remember

Wear masks

Stay 6 feet (about two arm lengths) apart.

Meet outside if possible.

Wash hands often.

Sanitize all touched surfaces.
